No. 153.—The following rules for dealing with excesses in minor inams in the settled Madan Taluks, where such inams are enjoyed in land, are published for general information in supersession of all previous rules and orders on the subject:—

1. All inams the survey assessment of which, as now enjoyed, does not exceed Rs. 5, will be confirmed in full.

2. In the case of inams, the survey valuation of which, as now enjoyed, exceeds Rs. 5, one-half of the excess over and above the extent authorized by the Inam Department (shall in lieu of the 10 per cent of such excess allowed by the rules hitherto in force) be confirmed as inam, in addition to the said authorized extent, the other half being charged with the full survey assessment.

Provided that in no case land bearing survey assessment of more than three times the survey valuation of the extent of inam authorized by the Inam Department shall be continued as inam, except when three times such survey valuation falls short of Rs. 5, in which case land bearing survey assessment up to, but not exceeding Rs. 5, shall be continued as inam out of the extent hitherto enjoyed as inam.

Provided also that in no case shall the inam confirmed under this rule bear survey valuation of less than Rs. 5.

3. Out of any individual survey number hitherto enjoyed as inam, all excess over and above the extent confirmed as inam under rule 2 above shall be treated as Government land and charged with full assessment. When such excess exceeds Rs. 2 in survey valuation, it shall be treated as one or more separate survey fields of Government land and charged separately with its or their appropriate Government assessment.

No. 163.—The Rules contained in the subjoined Resolution of the Government of India Circular No. 2, Public Works, dated, Simla, 3rd August 1887, are hereby declared applicable, as far as they may be, to the officers of the Mysore Government.

*Resolution.*—In re-issuing the rules contained in Home Department Resolution of the 11th May 1885, with certain necessary additions, the Governor-General in Council desires to invite the renewed attention of Local Governments and Administrations to the subject with which they deal, and to impress on all concerned by them the duty of exact obedience to these regulations.

2. The Rules do not apply to the receipt of addresses by the Head of any Government or Administration.

#### *Rules.*

Save as in these rules otherwise provided, all servants of Government, covenanted or uncovenanted, are forbidden to receive complimentary or valedictory addresses in any form; or to accept testimonials of any kind; or to attend public meetings or complimentary entertainments of a formal and public character held in their honor.

2. The Government views with disfavor all similar manifestations in the case of retired officers, when following immediately upon their retirement from active service, and designed as an acknowledgment of acts done by them while in the service of Government.

3. It is not intended to prohibit such an expression of regard for the private or official character of an officer retiring from service, or leaving his station or district, as is involved in a farewell entertainment supported by his personal friends, even though some of these may be his official subordinates. But it is expected that the proceedings on such occasions will be substantially of a private and informal character.

4. Local Governments and Administrations are authorized to forward to an officer who has left a station or district the resolution of any local public body recording a vote of thanks to him for help and advice afforded during his official connection with the station or district.

5. Medical Officers are not prohibited from receiving pecuniary recognition of their services from a ~~community of their patients~~ <sup>to acknowledge these</sup>, but the previous sanction of the Local Government or Administration must be obtained by Medical officers before receiving any public complimentary address.

6. Nothing in the above rules is meant to prohibit compliance with the request of a public body that a Government officer should sit for his portrait, bust or statue in recognition of his public services; provided that the portrait, bust or statue is not intended for presentation to the officer concerned.

7. The participation of Government officers in the raising of funds for the foundation of scholarships, or for presenting a portrait, bust or statue, as a spontaneous recognition of the services of Government officer is not forbidden; but it should be clearly understood that any solicitation on the part of officers of Government for subscriptions from any person who does not voluntarily come forward to contribute is disapproved by the Government of India.

8. The previous sanction of the Government of India must be obtained to the relaxation of these rules in any special case in which the Local Government or Administration may think this desirable.
